Based on the success of the inaugural virtual summit last year, it is envisioned that the Youth Co:Lab Summit 2022 will adopt a hybrid format, blending in-person and virtual event elements to create a unique and unified experience for participants, while ensuring adherence to health and safety protocols in the context of COVID-19.

**Youth Co:Lab Summit 2022**

**MAIN SUMMIT - DAY 1**

*6TH JULY, WEDNESDAY*

**LOCATION:** NUS

**SHAW FOUNDATION ALUMNI HOUSE**

**Breakfast and morning activities + Registration of participants**

**Opening Remarks (60 mins)**
Government of Singapore, UNDP and Citi
Keynote speech and agenda setting by VVIP and youth leader
Cheque presentation from Citi Singapore to ChildAid in support of under-served youth

**Fireside chat (30 mins): Climate Action**
Key stakeholders from UNDP, Citi, and the Ministry of Sustainability and Environment, Singapore to share the role of the larger organizations to support youth climate action and also be proactive to mitigate the consequences of climate change for young changemakers

**Networking Lunch (60 mins)**

**Youth and Climate Change Innovation (90 mins)**
Capacity building workshop and crowdsourcing ideas on how we can empower youth to become climate change leaders, advocates and activists in their community and beyond

**Women’s Entrepreneurship (90 mins)**
Hotseat discussion with female entrepreneurs, ecosystem enablers and government representatives on the barriers facing women entrepreneurs, and the best practices to make entrepreneurship ecosystems more gender-inclusive

**Access to Innovative Financing Solutions for Youth (90 mins)**
Training on helping young people identify and access financing solutions and opportunities to turn their SDG ideas into viable social businesses

**Panel Discussion: Youth and Climate Action (30 mins)**
Understand the role young social entrepreneurs and changemakers play in tackling climate change, what kind of support they need to take action and what kind of impacts climate change have on their startups. This will also be accompanied by the formal launch of Youth Co:Lab’s flagship research on Youth Social Entrepreneurship and Climate Action

**Closing and travel to the dinner venue (120 mins)**

**Singapore Cultural Night (90 mins)**

**Youth Co:Lab Talks: Youth Champions (style of TedX) (60 mins)**
A series of short talks led by young social entrepreneurs and leaders on the megatrends that we are witnessing in the world, and how young people can take action in their communities today, and how government, private sector and civil society create inclusive and safe spaces for changemakers
Based on the success of the inaugural virtual summit last year, it is envisioned that the Youth Co:Lab Summit 2022 will adopt a hybrid format, blending in-person and virtual event elements to create a unique and unified experience for participants, while ensuring adherence to health and safety protocols in the context of COVID-19.
